

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

The use of cell phone in the air is not only inappropriate but unsafe. The mixture of thin air, cramped quarters and alcohol consumption pushes passengers to the limit. The introduction of cell phone use in flight will only increase tension among passengers.

Please leave the current rules in effect.

Sincerely,

Michael N. Joyce
